BROCHURE**

ABOUT

Depot Mayfield provides a unique warehouse filming location in Manchester with the perfect balance of space and raw industrial charm. The venue's unique architecture, natural light and shadowed areas present a limitless creative opportunity.

Vast spaces and ample access options make Depot Mayfield an ideal film location for innovative set builds.

The outdoor Platform is as distinctive as it is versatile, with its original ironworks set against city centre urban surroundings. With filming spaces varying from expansive warehouses, outdoor space and striking interlinking arches, Depot Mayfield transforms into a fully-fledged film studio - the perfect backdrop for photoshoots, video and film & TV productions.

OVERVIEW PLATFORM

Rooftop Space

The Platform at Depot Mayfield has undergone a transformation to unveil one of Manchester's most unique open-air destinations. Set across over 8,000 square metres, the Platform can hold up to 1,500 guests for live events, and provides an immense backdrop for photography and film shoots.

Platform

Size: 8,200sq.m
Capacity: 1,500
Licence: 23:00

Note: Individual space capacities are subject to seating, production, event activities and fire exits.

TICKET HALL

Ticket Hall provides a striking setting for events for up to 1,500 guests. An expansive space featuring a raw steel ceiling with in-built lighting, exposed brick walls and clear sight lines. This space is perfect for fashion shows, boutique exhibitions, brand activations, art installations, live music events, after parties, filming and photo shoots.

Size: 1,000sq.m
Capacity: 1,100
Licence: 05:00

Note: Individual space capacities are subject to seating, production, event activities and fire exits.

CONCOURSE

Concourse, Depot Mayfield's second biggest chamber, is the perfect space to host live gigs, retail concepts, exhibitions, brand activations, immersive art or theatre, mid-size conferences, film production, photoshoots and much more.

A raised, central, platform provides a ready made stage, VIP or viewing area.

Size: 2,300sq.m
Capacity: 2,500
Licence: 05:00

Note: Individual space capacities are subject to seating, production, event activities and fire exits.

DEPOT

The heart and core of Depot Mayfield.

The main performance space is a cavernous warehouse featuring original brickwork and steel pillars. With enough space to host 6,500 people standing, it's the perfect place to showcase high profile concerts, live and electronic music shows, art installations, theatre, cultural events and much more.

Size: 6,300sq.m
Capacity: 7,000
Licence: 05:00

Note: Individual space capacities are subject to seating, production, event activities and fire exits.

ARCHIVE

Comprising of three interlinking arches with unrivalled natural lighting, Archive provides a more intimate space perfect for filming, photoshoots, live performance, DJ sets, conferences, film screenings, workshops, exhibitions, installations and brand experiences.

Size: 1,900sq.m

Capacity: 1,500

Licence: 05:00

Note: Individual space capacities are subject to seating, production, event activities and fire exits.

PLATFORM

Platform is truly a unique roof-top destination, set over 4 derelict railway tracks and platforms, boasting the old ticket office, waiting room and a beautiful cast iron roof structure.

This stunning location is perfect for film & photography shoots, cinema, brand experiences, F&B, fashion shows, live gigs, DJs, theatre.

Size: 8,200sq.m
Capacity: 1,500
Licence: 23:00

Note: Individual space capacities are subject to seating, production, event activities and fire exits.
